Crystal—I believe that will work; I will confirm asap with the client this morning, who are arriving from California, but I am almost positive they will still be here.

Could I also please confirm that we have an hour for the meeting? I think we'll need the full sixty minutes to cover everything. Thank you for your help and I look forward to seeing you tomorrow. -- Roger

Joel now has a conflict @ 9am. I am hoping I can reschedule this meeting to 12noon? Would you be available? Please advise.
